<u>Bowling Fundraiser</u>	<u>Bowling Fundraiser</u> A donation letter was created and will be distributed to local business, including dispensaries. When conducting the raffle basket drawings, the last call to purchase tickets will be at 10:15 and we will start drawing tickets at 10:30. The tickets that are drawn will be put on a poster board for easy reference for the potential winner to double-check their ticket number. The silent auction will start the night of the fundraiser and will end 2 weeks after the fundraiser. The auction items will be on hand at the bowling alley so people can see them in-person. The bidding will be in increases of a minimum of \$10. Bobbing for booze will be run by Mary; we will have a fish tank and a net for scooping the bobbers out of the water. The Allen's will run the paint stick raffle and we will find someone to sell the raffle basket tickets and sell 50/50 tickets.	2/24/24
